Barnstaple is the commercial centre in North Devon. Being the country's oldest borough, it also provides more traditional shopping experiences, most notably, the Victorian Pannier Market. Listed as one of top twelve indoor markets of its type in the country. Woolacombe is a lively seaside village with a three-mile long stretch of golden sands.

Day 3 - Today we include a coastal cruise along North Devon's spectacular coast. The cruise departs from Ilfracombe harbour and lasts approximately 1½ hours.

Day 4 - **North Devon coast day tour.** We travel via **Combe Martin** to the unique twin villages of **Lynmouth and Lynmouth**, together making up one of the most popular seaside resorts in Devon. Lynmouth is a historic fishing village of stone-built cottages beside the River Lyn. Linking the two towns is the unique, water-powered, Victorian inclined cliff top railway, opened in 1890 climbing from sea level to a height of 500ft.
